Add vehicle

Now visit www.my.audi.com to add your
vehicle. Click the "plus" icon in the top
right corner to add a vehicle. You will
need the vehicle identification number
(VIN) of your Audi, which you can find
on your vehicle registration certificate
(Part 1, section E). Alternatively, you
can also use the myAudi app to add
your Audi. Go to "My vehicles" to create
a vehicle

Equipment:
Audi connect safety & service
**including vehicle scheduling**

The quick start guide for this equipment currently applies to the following vehicles
Audi A4 / S4 / RS 4, Audi A5 / S5 / RS 5, Audi Q5 / SQ5, Audi Q7 / SQ7 TDI / Q7 e-tron quattro

Option: Audi connect
navigation & infotainment

The quick start guide for this equipment currently applies to all vehicles with Audi connect with the exception of the new Audi A7 and A8.

Congratulations, you can now use your services

Your personal access:
Verifying and registering as key user gives you access to vehicle scheduling features (such as locking and unlocking from the app). To verify and register as key user, accept the key user agreement (1) on my.audi.com or in the myAudi app, and then log in as key user in the vehicle. You may also add more users as secondary users. You do not need to register for emergency call and online roadside assistance - these two services work straight away without registering.
If have already accepted the key user agreement, you only need to complete the steps in the vehicle (2).

1)

Key user agreement
Perso-nal. details | Create PIN | Verifi-cation

or

2)

MMI

To use all Audi connect navigation & infotainment services in full, your myAudi account must be connected to your Audi vehicle. You can connect in two different ways:

myAudi 12345678   MMI

a) Connect with myAudi user data

To connect your vehicle to myAudi, you can enter your myAudi user data in the MMI:
- Audi connect
  - Options
    - Log in
      - Enter the user name and password

b) myAudi PIN

Alternatively, you can enter the myAudi PIN in the MMI. This is shown in the corresponding vehicle profile in myAudi. The entry is made in the MMI:
- Audi connect
  - Options
    - Log in
      - Alternatively, enter myAudi PIN

You can use Audi connect:

- In the vehicle (MMI)
- In the myAudi app
  (www.audi.de/apps)
  e. g., for controlling the vehicle functions
- On the web at
  www.my.audi.com

In myAudi

- Select User Account in the menu and accept the key user agreement
- Enter personal details
- Create a 4-digit PIN
- Select a verification channel*
  - Mobile number
  - E-mail
  - Audi partner
- Accept general terms and conditions

In the myAudi app

- Open the menu and go to
  - My profile
    - Settings
      - User management
- Then select:
  - Key user agreement
    - Verify now
- The rest of the process is the same as "In myAudi" (see left column) from step 2

In the vehicle

- Scratch off the 10-digit vehicle code on the keyring
- Enter the vehicle code and your myAudi user name in the MMI:
  - Audi connect
    - User management
      - Key user
        - Setup key user

**Note: Contract data can be viewed and edited at any time in the Audi connect user management in myAudi**

Please note that some services must be configured on www.my.audi.com

**All services and the various access options can be found on the next page**

* Depending on the selected verification method, you will then receive an mTAN or you will need to visit your Audi partner.
